## Brave balancing act

“REAL Housewife” **Aviva Drescher** will be in bed this Thanksgiving icing an injured ankle after she fell down a flight of stairs at her fifth wedding anniversary party at the Empire Room. The latest addition to Bravo’s New York “Housewives” lost her balance on a platform where she was to give a speech with her husband **Reid**, a Cape One Financial partner. “She toppled down the stairs,” a spy said. She got back up and walked around balancing on her other leg, a prosthetic. Drescher’s leg was amputated at age 6 after an ankle caught in a conveyor belt. **Sonja Morgan, LuAnn de Lesseps, Ramona Singer** and newbies **Carole Radziwill** and **Heather Thompson** attended the bash, filmed by Bravo.
